

The Animals First Christmas

This booklet reveals the story of the First Christmas, from the viewpoint of the animals present in the barn, by using Bobbin Lace figures to tell the story in booklet format.

This unique and compact 16-page colour Christmas booklet displays and tells the story using 10 full pages of images and narration depicting the Animals Christmas story.

Also included is a free three page insert from the Bobbin lacemaker, photographer and story author, Ruth Johnson of Ottawa.

In this bonus insert she recounts the origin of the project from: making the Bobbin Lace figures; creating the photography set; staging scenes and all the figures; writing the narrative; creating the first 2020 PowerPoint presentation release; to publishing this memorable booklet.
